Welcome to the Department of Environmental Science and Policy at George Mason University

As Graduate Program Director it is my pleasure to welcome all new graduate students entering our graduate programs in the Department of Environmental Science & Policy. The Graduate Student Association in our Department has done a masterful job in compiling very useful information into a handbook that will facilitate your progress toward your graduate academic goals. I urge you to familiarize yourself with its content as it will help you get the most out your graduate experience and avoid problems and headaches down the road. Also, do not hesitate to contact either our Graduate Coordinator (Sharon Bloomquist, Email: sbloomqu@gmu.edu) or me (atorzill@gmu.edu) if you have additional questions. Again, welcome to GMU and the Graduate Program in the Department of Environmental Science & Policy.

Cordially,
Albert P. Torzilli, Ph.D.
Graduate Program Director

Academic Programs

At the graduate level, Mason offers certificates, masters, and doctoral degrees. Environmental Science and Policy only has masters and doctoral degrees. The doctoral degree is titled Environmental Science and Public Policy with an emphasis on Environmental Science or Public Policy. The masters degrees administered at the Fairfax campus are Environmental Science and Policy, Environmental Biocomplexity, Conservation Science and Policy, and Environmental Management. The Masters degree administered at the Prince William campus is Earth Surface Processes and Environmental Geochemistry.

Full-Time Classification

1. Graduate students are full time if they are enrolled in at least 9 graduate credits per semester. Students holding an assistantship is full-time when enrolled in at least 6 graduate credits per semester and hold a full-time assistantship (20 hours a week).
2. Doctoral students need 72 credits to graduate, 30 credits of which can be transferred from a previous Masters degree.
3. Masters students must complete 33 credits to graduate.

Academic Advising

1. When a student is admitted to graduate study they must have secured a faculty advisor in the academic program responsible for the student’s program of study. In the Environmental Management concentration the Graduate Program Director is the student’s academic advisor.
2. Note: Those who select this concentration must be aware that this is a terminal degree and is not the pathway to a Ph.D.
3. After being admitted to a graduate program students should visit to their academic advisor where they can obtain information about specific courses, degree requirements and develop an individual program of study.
4. The graduate student is responsible for compliance with the policies and procedures of the college, school, or institute, and all applicable departmental requirements that govern the individual program of study.

Transfer of Credits from Non-degree Program
1. A student admitted for graduate study in non-degree program is eligible to apply to
degree program.
2. Non-degree students must officially apply to the program and if admitted, 12 of their
non-degree credits can be transferred into their program of study after approval by the
department. The credits must have been earned within six years prior to first enrollment
as an admitted student in the specific certificate or degree program, and a minimum grade
of B (3.00) must have been earned.

Transfer of Credit from another University

1. Graduate credit earned prior to admission to the master’s or doctoral program is eligible
to transfer up to 12 credits from another institution if the credits have been earned within
six years prior to first enrollment as an admitted student in the specific certificate or
degree program, and a minimum grade of B (3.00) must have been earned. Please note
these 12 credits are separate from the 30 credits that doctoral students may use to reduce
their credit requirement (see below)
2. Transfer of credit requires the approval of the Graduate Program Director and Dean of
the College of Science. Note: Credits accepted for transfer do not compute into any
Mason GPA.
3. Credit is usually considered for transfer at the student’s request at the time of initial
registration as a degree-seeking student. Students must supply official transcripts.
4. For transcripts from outside the United States, students must supply an official transcript
evaluation and an official translation for transcripts not in English if these documents
were not supplied in the admission process.
5. To be eligible for transfer credit, the credit must be graduate credit earned at another
accredited university, or earned at Mason while in a non-degree status.

Reduction of Credit for the Doctoral Program

1. The number of credits required by a doctoral program may be reduced by up to 30 credits
on the basis of a previously earned master’s degree.
2. Reduction of credit requires the approval of the Graduate Program Director and the Dean
of the College of Science. Credits used in reduction of credit are not subject to time
limits, and the credits must have been applied to a previous degree.
3. Students requesting a reduction of credit must supply official final transcripts.
4. All the other conditions given above for eligibility of transfer of credit apply also to
reduction of credits.

Consortium of Universities of the Washington Metropolitan Area
1. Students enrolled in a degree program may take graduate courses at another accredited institution and apply these credits to a master’s or doctoral degree with prior approval.
2. First semester students are not eligible for registration in this program.
3. Students must be in “good standing” academically.
4. The career maximum of 6 consortium credits can be taken.
5. Credits accepted for transfer do not compute into any Mason GPA.
6. George Mason Consortium students pay the George Mason tuition rate
7. The George Mason University Consortium Coordinator: Louise Murray, SUB I, Room 2101, (703) 993-2439, lmurra3@gmu.edu. Office hours are: Tuesday, Wednesday, and Thursday (9:00 a.m. – 5:00 p.m.).

Your Mason ID

http://masonid.gmu.edu/photoid/

How to Get Your Mason ID

1. Students must be registered for the current semester
2. Electronic approval process must be complete for faculty/staff, contract employees, and affiliates
3. Some form of picture ID (i.e. current driver’s license, military ID, Visa, Passport) must be presented before obtaining the first Mason ID
4. Students need their “G” number. Your G number was provided in your acceptance letter
5. The first Mason ID is free and should last for a student’s entire career at George Mason
6. If lost, damaged, or stolen the replacement card fee is $10
7. The ID office on the Fairfax campus is located on the lower level of the HUB also known as SUB II.

Uses

MyMason

MyMason is a joint website that allows any student to access the three most important University websites a graduate student will need; Masonlive, Patriot Web, and Blackboard as well as keeping track of daily campus events. Alternatively, a student can also access each webpage independently.

1. Masonlive masonlive.gmu.edu
This is a university based email used by professors and teaching assistants to communicate with students. Staff also uses this email to remind students of upcoming school and social events as well as potential internship or jobs.

2. Patriot Web https://patriotweb.gmu.edu/
A self-service website for students to help manage personal information, register for classes, view transcripts, review charges, make payments, apply for financial aid, review status of financial, and accept financial aid.

3. Blackboard https://mymasonportal.gmu.edu/webapps/login/?action=relogin
A tool that allows faculty to post class resources such as readings and homework, as well as class grades online for students to obtain at home. Can only be accessed through MyMason

Note: The passwords for Masonlive, Patriot Web, and Blackboard are all the same.

MyMason

1. Once you log into the MyMason homepage you will find a list of that week’s events, university wide announcements, and links.
2. If you need to activate your account go to the below website.
   a. https://mymasonportal.gmu.edu/webapps/portal/frameset.jsp
   b. Above the space to enter your username and password it says
i. “If you need to activate your PatriotPass account or forgot your password, click [here](#). For Non-Mason users, you may continue to log in with the username and password that you were provided.”

ii. Click the link attached to the word “here” and follow all prompts.

If you have any problems please email [support@gmu.edu](mailto:support@gmu.edu) or call at (703) 993-8870. Hours are Monday – Friday 8:30 am to 7:00 pm.

**University Wide Campus Events**

1. Once you log into the MyMason homepage you will find a list of that week’s events, university wide announcements, and links.
2. For a list on the entire semesters events scroll down and click on “View Full Event Calendar” for events.
3. GMU Graduate Student Life is a site listing all events, announcements, and services for just graduate students ([http://gradlife.gmu.edu/](http://gradlife.gmu.edu/))

Textbooks

George Mason University in conjunction with Barnes and Noble operates a bookstore and textbook website that are available to students for the purpose of searching and buying textbooks. To perform customized textbook searches go to http://gmu.bncollege.com/. Textbooks can be purchased in the bookstore with some being available as an eBook. There is also an option to rent your textbooks from the bookstore.

Renting Textbooks

1. The GMU bookstore is where you can rent textbooks you need at the beginning of the semester and return them at the end.
2. You can use any form of payment including financial aid but a credit card is required.
3. A list of all textbooks available to be rented can be found on the bookstore website.
4. Normal use of a highlighter and pencil is permitted in a rented textbook but it must still be in good condition.

For questions please contact the bookstore’s customer service line at (703) 993-2666.

Libraries

GAPSA - [http://gapsa.gmu.edu/](http://gapsa.gmu.edu/)

**Graduate Student Association (GSA)**

1. The GSA of the Environmental Science and Policy (ESP) Graduate Program is a student run organization with the goal of fostering a sense of community, increasing communication with faculty, the ESP Department, and the College of Science, advocating for graduate student concerns, and planning social and academic extracurricular activities for graduate students, faculty, and staff. For more information, please see: [http://esp.gmu.edu/students/graduate-students/esp-gsa-club/](http://esp.gmu.edu/students/graduate-students/esp-gsa-club/)

2. Membership dues are $10 per semester due to the GSA treasurer (see below on how to join)

3. Why become a member? Benefits of membership include:
   a. Invitations to GSA sponsored events
   b. The ability to vote in matters of importance both to the GSA and to the graduate students of ESP
   c. Access to travel grants
   d. Access to a GSA sponsored Webinar service

4. Grants Available
   a. The GSA administers a conference travel assistance grant twice a year
i. Awards up to $300 to defray the cost of travel to conferences to present research
   1. Conference presenters are given preference over conference attendees
   2. Awards are decided April 1 and October 1 of each year for conferences attended in the six months prior to the due date

ii. Contact the GSA for more information

How to join the Environmental Science & Policy Graduate Student Association (ESP GSA)*

1. Go to: [http://esp.gmu.edu/students/graduate-students/esp-gsa-club/](http://esp.gmu.edu/students/graduate-students/esp-gsa-club/)
2. Download the membership form (the membership form can also be found on the GMU ESP GSA Facebook group).
3. **Email the completed form to:** espgsa@gmu.edu
4. **Pay your dues!** Dues are $10 for per semester, $20 for 1 year membership. You have 2 options for paying dues:
   a. Pay by CASH: submit payment in person to any member of the ESP GSA board (Chelsie Romulo, Blake Klocke, Lisa Schreffler, Rachel Golden Kroner, Elly Roland, or Casey Pehrson; **OR** Sharon Bloomquist & she will give us your dues)
   b. Pay by CHECK: Write checks out to “ESP-GSA Dues” and mail your check to:

   ESP GSA co/o Barbara Campbell
   Office of Student Involvement
   MSN 2D6
   George Mason University
   4400 University Drive
   Fairfax, VA 22030

5. Join our Facebook group to stay up to date with GSA announcements & events! Search GMU ESP GSA & click "Join."

*Anyone can come to our events even if you do not join the ESP GSA; the more the merrier! However, **if you would like to be eligible for the travel grant, you must** pay dues (either per semester or annually), attend at least 1 event during the semester, & be a graduate student in ESP, in addition to of course attending a conference or workshop that supports your academic progress.
**Graduate and Professional Student Association (GAPSA)**

1. The GAPSA is a GMU wide group that attempts to unite graduate and professional students across the university
   a. The GAPSA website is very helpful for general information about this area, housing, transportation etc.
      i. They have a Graduate Student Travel Fund ([http://gstf.gmu.edu/](http://gstf.gmu.edu/))
      ii. Read the directions and stipulations very carefully when applying to ensure that you get your reimbursement
      iii. Applications should be sent in through the portal on the GSTF website
      iv. Funds available range from $50 - $1000 to defray the cost of travel for research, conferences etc.
   v. Students can apply once per fiscal year
   vi. International Travel Grants: up to $1000 in travel support for students presenting the results of original research at international conferences as first authors
   vii. Regular Graduate Student Travel Fund:
      1. Students presenting in conferences held in DC, Maryland, or Virginia (DMV):
         a. up to $150 - non GAPSA member
         b. up to $200 - GAPSA member

1. Application is used to apply for federal student financial aid, such as grants, loans and work-study
   a. You should file the FAFSA online at [www.fafsa.gov](http://www.fafsa.gov), and sign it with a PIN number from [pin.ed.gov](http://pin.ed.gov).
   b. **Applications received by the processing center after March 1st are considered late, and will not be given priority consideration**, but will be reviewed for Federal Pell Grants, Federal Stafford Loans, and Federal Parent PLUS Loans.
   c. You must reapply for aid every year
   d. You must send your FAFSA to George Mason by entering our school code: 003749
   e. After reviewing your FAFSA, financial aid will assemble a Financial Aid Award Package for you.
   f. You will receive an email notifying you to view and accept your package on [patriotweb.gmu.edu](http://patriotweb.gmu.edu). The package will show all the available aid for which you are eligible.
   g. If you need additional funds, you may look into applying for PLUS Loans, private loans, outside scholarships, and student employment.
Teaching Assistantships

http://esp.gmu.edu/students/financial-aid/graduate-student-funding/

Environmental Science and Policy TA’s

1. While limited in number, the ESP and Biology departments offer several teaching assistantship opportunities (in areas of biology, ecology, and geology disciplines) to qualified graduate students.
2. Deadline for applications for fall assistantships is January 31st but applications will be accepted until all positions have been filled.
3. Graduate Teaching Assistants receive a fixed stipend of $14,500 (paid during the academic year ONLY) and typically teach 3 lab sections per semester, but assignments may vary.
4. GTA’s qualify for tuition remission for up to 6 hours of tuition per semester (subject to availability of funds) from a tuition remission budget. GTA’s also receive subsidized (free) health insurance for the entire year.

TA Application

1. For a copy of the Teaching Assistantship Form follow the link below:
   http://esp.gmu.edu/wp-content/uploads/2014/05/TAApplicationFormJan2014.docx
2. If you are a student in the Environmental Science and Policy Department, send the application to the Graduate Program Coordinator, Sharon Bloomquist and the Undergraduate Biology Office Manager, Joanne Zimmerman.
3. It is also beneficial to send a follow up email to make sure that your application has been received and processed.

Smithsonian-Mason School of Conservation (SMSC) Courses

http://smconservation.gmu.edu/

1. The Smithsonian-Mason School of Conservation (SMSC) is a joint program of the Smithsonian Conservation Biology Institute (SCBI) and George Mason University. SMSC offers conservation science and human dimensions courses to graduate students and conservation professionals. Graduate courses all have the CONS prefix.
   a. Courses are 1-2 week intensive residential programs held throughout the year, offering 1-3 graduate credits
   b. Located at the Smithsonian Conservation Biology Institute in Front Royal, Virginia
      i. It is less than an hour from GMU by car, but as classes are the whole day, it is advisable to stay in their dormatorie (cost includes dining and housing package)
   c. For a list of all upcoming courses go to: (http://smconservation.gmu.edu/upcoming-courses/)
   d. Application Process
i. Visit the website for application details. The course application form is found at: (http://smconservation.gmu.edu/programs/graduate-and-professional/graduate-course-application-form/)

ii. You will also need to fill out the “CONS Course Registration Advisor Approval Form” found on the GMU ESP website under “Graduate Courses”: http://www.gmu.edu/depts/espp/graduate/courses/index.html

Once your advisor has signed off on this form, you must submit it to the ESP Graduate Coordinator who will obtain the other signatures needed and send it on to the SMSC program to complete your course application.

e. Application Deadlines and Course Costs

i. Deadlines and course costs are posted on each course’s webpage

ii. Deadlines for first consideration are generally about 10 weeks prior to the course date. Applications are reviewed and accepted/rejected by SMSC on a rolling basis, so please apply as early as possible. Registration is with Office of Continuing Professional Education (OCPE), if accepted, your space in the course is not guaranteed until your payment is arranged for with OCPE. The course webpage will specify whether space remains available after the specified registration deadline; if interested, you should apply/register as quickly as possible to help you secure a spot.

iii. Questions can be directed to the SMSC program administration email account, SCBItraining@si.edu

f. Tuition Waivers/Remissions

i. Presently, GTA/GRA tuition remissions cannot be used in connection with registration for these CONS courses. Additionally, tuition waivers, previously offered on a limited basis, are NOT being offered in the 2012-2013 academic year, nor expected to be offered in future years.

Transportation and Parking

http://parking.gmu.edu/

Parking

1. All persons parking at the George Mason University are required to obtain and display the George Mason University parking permit. Purchased from the George Mason University Parking Services

   a. Parking on the George Mason Campus (list of fees can be found here: http://parking.gmu.edu/permitfinerefundrates.html)
b. Map of all parking areas can be found on the left hand side under “Map of Fairfax Campus Parking Areas” (http://parking.gmu.edu/)

c. At the Parking Services website you can manage your parking account, purchase permits, and pay or appeal a citation. For any questions or problems contact the Parking Services Offices at (703) 993-2710.

d. Note: For those who only come to campus for one class once a week it may be more cost efficient to park and pay for the visitor spots found in Mason Pond, Sandy Creek, and Rappahannock Parking Garages.
   i. http://parking.gmu.edu/visitorsregulations.html

**Shuttles**

1. Mason Shuttles operates several free service shuttles to various locations within campus as well as around Fairfax.
   a. Buses, Shuttles, and the Metro times and maps are all available online (http://transportation.gmu.edu/)

**Fairfax Transportation**

1. Fairfax City also operates many commuter services that can be used by students to get around town
   a. Cue Bus
      i. Fairfax City Bus System (http://www.fairfaxva.gov/government/public-works/transportation-division/cue-bus)
      ii. Free for all Mason students with student ID
      iii. Hardly ever run on schedule so check Nextbus website (www.nextbus.com) to find when next bus arrives
      iv. Some stops have live tickers above bus stop booths that indicate when the next bus will arrive
   b. Fairfax Connector
      i. Fairfax County Bus System (http://www.fairfaxcounty.gov/connector/)
   c. Metro Bus
   d. Arlington Transit
      i. Arlington County Bus System (http://www.arlingtontransit.com/)
   e. VA Railway Express
      i. Northern Virginia and Washington D.C. Train System (http://www.vre.org/)
Housing Options

http://och.gmu.edu/

On Campus

1. Fairfax Campus:
   a. Masonvale
      i. These are upscale apartments and town homes reserved for GMU faculty, staff, and full-time graduate students.
      ii. Rates range from $1450 for a single bedroom apartment to -$2250 for a 3 bedroom apartment (check website for current rates)
      iii. Masonvale also offers assistance finding roomates.
      iv. There is a ranking and priority system involved in the application process. This priority system seems to favor faculty over graduate students (graduate students are 3rd to last on the list http://www.masonvale.com/docs/priority-system.pdf).
      v. Information can be found at:
   
2. Prince William Campus:
   a. Beacon Hall
      i. Monthly rates are per person and include all utilities, cable, and internet services:
      ii. Studio: $960/month - 68 available
      iii. 1-bedroom: $1230/month - 4 available
      iv. 2-bedroom: $730/per person/month - 40 available
         1. (these are the total numbers that they have in the hall and do not indicate how many spaces may be left)
      v. Housing agreements are offered on both the typical academic year (Fall – Spring semester) basis as well as a calendar basis (approximately 11.5 months, with potential year to year option).
      vi. There is a $300 nonrefundable deposit to secure your space (this gets put toward the first month's rent).
      vii. More information including floor plans and application information: http://housing.gmu.edu/graduate/

Off Campus
1. GMU Sites
   a. GMU hosts a search site for finding roommates and off campus housing.
      i. http://och.gmu.edu/
      ii. You are required to register to use the site (this will help to keep some of
          the internet crazies off the site). You do not need to be a current student to
          register and search for housing though guest accounts have some
          limitations. A GMU email address is required to register as a student.

Other Useful Sites NOT Approved or Promoted by GMU

1. http://www.padmapper.com/ is a useful tool. It combines Google maps with an
   apartment search engine and has several nice filters (pets, keywords).
