ENVIRONMENTAL SPECIALIST
PART-TIME AT WHIT FOX CONSULTING

Whit Fox Consulting is a small environmental firm in northern Virginia. We are hiring an environmental specialist to perform erosion & sediment control inspections, conduct on-Site environmental monitoring, prepare documentation, and finalize reports. This position is part-time. There is opportunity for the position to grow into the following areas: wetland delineations and permitting, perennial flow determinations, Resource Protection Area delineations, and Stormwater Pollution Prevention Planning.

If interested please provide resume to info@whitfox.com or if you have questions please contact Lori at 703-389-2473 or lori@whitfox.com
